

Palakkad District

School Field-Visit Coverage Report

Area-wise summary of schools already covered (Second Visit due) and pending first-visit schools, restricted to the specific villages / localities actually visited by **Athul** and **Arun** during their Palakkad district tour.

Areas Covered: **222** | Schools with Second Visit Due: **552** | Pending First-Visit Schools: **565**

Generated on 21 September 2026

About This Report

This report cross-references the school-visit logs of **Athul** and **Arun** against three official Palakkad-district source lists: the State Syllabus (Government / Aided / Unaided) school data, the CBSE schools list, and the ICSE schools list. It is organised strictly by the villages / localities the two executives actually visited — every area in this report contains at least one visit record from Athul or Arun.

For each such area, two sections are presented:

- **Second Visit – Schools Already Covered:** schools already visited, with the month the follow-up / second visit is due (taken from the executives' own remarks), the type of school, contact person, phone number and which executive visited it.
- **Pending – First Visit:** other schools located in that same area (per the official district lists) that do not yet appear in either executive's visit log, along with their classification (Government / Aided / Unaided / CBSE / ICSE), phone and locality.

Scope note: A small number of visit-log entries referred to localities outside Palakkad district (e.g. neighbouring Thrissur-side stops made in the course of the same tour, such as Peechi, Mannuthy, Ramavarmapuram, Vellanikkara, Thiruvilwamala) or had no legible place name in the source sheet. These have been excluded from the area-wise tables below since they fall outside the requested Palakkad-district scope or could not be reliably matched to an official school list.

Legend

Government Aided Unaided Recognised CBSE ICSE Private
