5. Key Observations

- Good field activity: 97 contacts in 9 days, 75 unique Kannur institutions; 39 were not in the master list (new leads).
- Weak conversion: only 7 of 97 contacts (7%) got a follow-up call; no second visits, no free passes issued/used, no bookings.
- Coverage gaps: Pappinisseri 114 of 115 schools and Payyannur 95 of 119 schools still not visited.
- Visit sheet incomplete: Students Strength, Follow-up, First & Second Remarks columns empty for all schools; executive name blank on 08/10 rows.
- Data fixes needed: 11-digit phones (CPN Memorial GVHSS 94461014108; Govt Technical HS Cheruvathur 90200303010); landlines missing leading 0.

6. Action Plan — November 2026

- **Immediately:** call back the 2 Medium leads – Krishna Menon Vanitha College (Shafeeq) and Samagra Shiksha Abhiyan (Praveen); offer free stay pass & group rate.
- **Second visits:** all 75 Kannur contacts (+17 Kasaragod) – hand over free stay pass, collect student strength and tour month.
- **Retry once:** the 5 Low contacts, then lower priority.
- **New visits:** target unvisited master-list schools in Pappinisseri and Payyannur.
- **Reporting:** fill strength, follow-up and remarks columns daily so conversions can be tracked.

Prepared from the Kannur Area-wise Visit Report and the 2026 Confirmed School Bookings sheets (One-day and Stay packages). Contact counts include repeat contacts at the same school; visited-school counts treat each school once.
