# School Visit Status Report

Executive-Visited Schools vs. Govt / CBSE / ICSE Directories — Area-wise

---

Prepared for internal review

Data reconciled from: Kannur Executive Visit Log, State Syllabus School Data (Kannur), All-Kerala CBSE School Directory, ICSE Kerala Schools (Districtwise), and Deepika's Kannur School Data

Report generated: 21 September 2026

## Executive Summary

This report reconciles the schools already contacted by the Kannur field executive with the official State Syllabus, CBSE and ICSE school directories for Kannur district, restricted strictly to the specific localities the executive has actually visited. Each school is marked either **Second Visit: <Month>** where a follow-up/tour month was verified from the executive's call notes, or **Pending First Visit** where no visit/contact has been completed yet (including schools never contacted at all). A separate column flags whether the school also appears in Deepika's Kannur school database.

Note: "Second Visit" months were derived from the executive's own call remarks (e.g. "nov tour time", "dec jan tour time"). Where a school was contacted but no follow-up month was confirmed (e.g. "didn't connect", "not interested", "call later"), it is conservatively kept under **Pending First Visit** since no physical visit has taken place yet.
