How to read this. *Total schools* = every school in the State-syllabus list, Deepika's list and the CBSE/ICSE list for that area, plus *extra schools Musthafa visited that are in none of those lists (mostly private English-medium and pre-primary schools). *Pending 1st visit* = listed schools in the area he has not visited yet. *Probability* is for visited schools only: **High** = tour confirmed/booked or free-pass feedback says interested in a group visit; **Medium** = tour month shared, considering Foggy, free pass given or second visit planned; **Low** = no tour / not interested / wrong number, or not reached yet (busy, not connected).

Sources checked: Musthafa's visit sheet (644 rows → 608 unique schools), State-syllabus Malappuram data, Deepika's Malappuram data, CBSE/ICSE Malappuram lists and the free stay pass feedback sheet. 385 of 644 visit rows were matched to a listed school by phone number or by school name + place. Areas are the assembly areas used in the State-syllabus data (Deepika's block name is shown on her sheet).

Second visit schedule – by month

Schools where Musthafa's sheet gives a month for the next visit. September visits are due now. 'After Onam vacation' is counted as September.

Data checks (things to correct in the sheets)

- Date written as '17.08.202' for 12 rows – read as 17.08.2026.
- Rows dated 01.08.2026 are logged between 31.08.2026 and 03.09.2026 – probably 01.09.2026. Shown as written.
- 4 visit row(s) have no contact number: Carmal Giri English Medium School (Chungathara); G L P School (Kidangazhi); Presentation Nursary School (Perinthalmanna); G.L.P.School (Thavaraparambu).
- 29 visit row(s) have no place written; the area was taken from the matched school or from the other schools visited that day.
- Second-visit column for A.M.L.P.School (Kidangayam) says 'Note: Courier Issue raised by Principal' – not a month, so no second visit is scheduled for it.
- Second-visit column for Al Fitrah English Medium School (Vazhakkad) says 'not conformed' – not a month, so no second visit is scheduled for it.
- Contact number 9846449240 is used for more than one row: Hill Top Public School (Kunnathukkavu); G U P School (Kunnathukkavu).
- Contact number 7025238795 is used for more than one row: Krishna A.U.PSchool (Thachinganadam); G.M.L.P.School (Pandikad).

Matching note: school names in the visit sheet are often short forms (e.g. 'G.L.P.School' + place). They were matched to the lists using the phone number first, then the school type (GLPS, AMUPS, GHSS...) together with the place name, allowing for spelling differences (Mambad/Mampad, Kizhisher/Kizhisseri). A school not found in any list is shown with 'In Deepika? = No' and counted as an extra school in its area.
