Notes

- Areas are the assembly areas used in the government school list (Malappuram School Data).
- Aslam's 592 log entries were combined into 500 schools. Repeat visits to the same school are counted once.
- "Second visit" is the month in Aslam's sheet. If no month was written, it is set one month before the tour month the school gave.
- "Chance" is worked out from the call remarks and is only a guide.
- Full details (all remarks, contacts and checks) are in the detailed report: Aslam_Areawise_Executive_Report.pdf.
