How to read this report

• **Total schools** = schools Musthafa visited + schools in the Malappuram school list or Deepika's data in the same places that he has not visited yet.
• **Free pass**: Used = school visited the park on the pass; Booked = pass visit date fixed; Given = pass given, not used yet.
• **2nd visit** = month written in Musthafa's second-visit column; "Re-visited" dates show visits already done.
• Schools with a confirmed booking are listed only under bookings, not repeated under free pass or second visit.
• Same data as the detailed "Musthafa School Visit Cross-Check" report, arranged by action.
