- Coverage is 16% of the master list (110 of 670). Taliparamba North is strongest (36%). Seven sub-districts have no visits at all.
- **51 visited schools have no follow-up**, including all 26 Iritty institutions and 14 in Irikkur. These need calls first.
- The free pass has not been discussed with 192 schools and no Kannur school has used one. Offer it on the November second visits.
