

ASLAM – SCHOOL OUTREACH STATUS REPORT

Areawise Coverage Analysis — Visited Schools, Second-Visit Schedule &
Pending First-Visit Leads within Aslam's Operating Territory

Malappuram District, Kerala | Report generated on 20 September 2026

207	404	56	289	21
Areas Covered	Schools Visited	Second-Visit Scheduled	Pending Leads (Govt/Aided/Unaided)	Pending Leads (CBSE)

This report reconciles Aslam's field-visit log against four independent school directories — the State Syllabus Malappuram School Data, Deepika's Malappuram School Data, the CBSE Kerala Schools directory and the ICSE Kerala Schools directory — to (a) confirm the schools already contacted, (b) surface the confirmed second-visit month wherever the follow-up call recorded one, and (c) list schools that fall within the same localities Aslam has already visited but have not yet received a first visit. Only localities that appear in Aslam's own visit log are considered; school directory entries outside those specific areas are excluded from this report.

Section 1 — Second-Visit Follow-Up Schedule

56 of the 404 schools already contacted have a verified second-visit month recorded from the follow-up call (either in the “Second Visit” column of the visit log or stated explicitly in the call remarks). Grouped below by scheduled month, in chronological order starting from the current outreach cycle.
