High / Medium / Low count schools visited in each area (in-list and extra). "Booked" = school is in the confirmed booking sheet. Mannarkkad, Parli and Shoranur had only short visits, so most of their schools are still open.

Booking probability: how it is rated

Rating	Meaning (based on the latest call/visit remark)	Suggested action
Booked	Advance paid / booking confirmed in the Confirmed Booking sheet. Booked* = linked booking, still to be confirmed.	Coordinate the visit date and get feedback after the trip.
High	Latest remark shows interest with a tour month (e.g. "Dec tour planning", "Nov tour time", "Oct last contact"), or a free-pass stay with interest.	Call in the stated month; send the package; push for an advance.
Medium	Interest shown earlier, but the latest remark is not answering / busy / meeting / will discuss / not sure.	Visit again or call at a better time; reach the decision maker.
Low	Not interested, long-distance concern, already booked another destination, next year, or the number is invalid/switched off with no interest recorded.	Low priority; check the contact number; retry next season.

2. Priority follow-up list (High probability, by tour month)

Schools where the latest remark shows clear interest. Sorted by the tour month mentioned in the remarks. Schools already booked are shown in section 5.

3. Second visit - month-wise plan and verification

The "Second Visit" month comes from Athul's sheet. Status is checked against the visit dates in the same sheet: **Done** = the school appears again on a later date; **Pending** = planned for Sep/Oct but no second visit recorded by 14 Oct (the last entry), so it is now due; **Upcoming** = planned for Nov or later.

Planned month	Schools planned	Done	Pending (due, not yet revisited)	Upcoming

7. Data verification notes

• Athul's log has 515 school entries. **415** are Palakkad district schools (= 364 unique schools) and are used in this report. **100** entries are Thrissur district schools (Chelakkara, Mannuthy, Peechi, Puthur, Ollur, Kuttanellur, Mukkattukara and nearby, mainly 24.07 and 08.09 - 01.10) and are left out, because the report covers only Palakkad.

• Visit dates typed as 01.06, 02.06 and 03.06.2026 come between 30.06 and 04.07 in the log, so they are read as **01 - 03 July 2026**. Years typed as "206" are read as 2026.

• Seven schools visited on 30.06 have "Mannarkkad" as the place, but the schools are in **Nemmara (Kollengode area)**: GBHSS Nemmara, GGVHSS Nemmara, VRCMUPS Vallangy, St. Rita's EMUPS, etc. They are counted under Kollengode. Their 04923 phone numbers also point to the Nemmara/Alathur side.

• Where the same school was entered more than once (HS and HSS sections, main and UP block, or a revisit), the entries are combined into one school. All visit dates are shown.

• A school counts as "Visited" when it matches a school in the Palakkad master list by name and place. Entries with only a general name and no place (e.g. "GLP School", "AUP School") cannot be matched safely. They are listed as extra visited schools (marked *), so coverage % may be slightly understated.

• Five entries are marked "Revisited / R / Second visit" but have no first visit in the log: St Xavier's Mangalamdam, IPAMLPS Cheerakuzhi, GLPS Pothundi, V G H S Nenmara, and TIME Kids Pre School Thannissery (this one does have an earlier 01.09 entry without a place). Please check these with Athul.

• Free-pass and booking records were matched by phone number first, then by school name. Mujahideen HSS Parali (booked 17.10) has the same contact (Bushra, 9447252538) that Athul met on 14.07.

• St Thomas UPS Kairady: Athul noted "Already booked 20/10/26". The booking sheet has St Pius X Sunday School, Olippara (same parish area) on 20.10. Marked Booked* until confirmed. Sariga Public School, Palakkad (booked 10.10) does not say which branch. Athul visited three Sariga branches, so please confirm the branch.

• Probability ratings follow simple rules applied to the latest recorded remark (see page 1). They are a guide for planning follow-ups, not a forecast.
