Notes

- Mobile numbers:** every one of the 145 visited schools has a 10-digit mobile number. Of the 612 schools not yet visited, 270 have a mobile number and 342 do not (landline only or no number).
- Free passes:** 82 free-stay-pass feedback entries were checked (Interested 38, Neutral 27, Not interested 2, blank 15). None of them match a Kannur school, so no free pass is recorded for Kannur.
- Deepika's data:** 67 of the 145 visited schools appear in Deepika's list. Separately, Deepika's list holds 164 mobile numbers for schools in these areas (39 visited, 125 not yet visited).
- Second visits:** 40 schools gave a tour month; 87 need a follow-up call or a retry because the call didn't connect, the number was wrong, or no month was given.
