Musthafa's Areas – School Coverage & Hand-over to Aslam

Malappuram District | Musthafa's tour log 22.06.2026 – 16.10.2026 | Report date 20.10.2026

FINAL SUMMARY – AREA-WISE (areas visited only by Musthafa)

Area (Assembly constituency)	Total schools in area	Covered by Musthafa (visited)	Second-visit schools	2nd visit already done by Musthafa (Oct)	2nd visit to be covered by Aslam	Pending - not yet covered
Nilambur	141	93	45	24	21	48
Wandoor	138	89	17	4	13	49
Ernad	165	117	42	19	23	48
Manjeri	169	115	40	19	21	54
Kondotty	159	70	28	26	2	89
Malappuram	150	74	6	0	6	76
Mankada	138	74	24	0	24	64
Perinthalmanna	148	75	25	0	25	73
GRAND TOTAL	**1208**	**707**	**227**	**92**	**135**	**501**

Total schools in area = schools in the State-Syllabus (Govt/Aided/Unaided) and CBSE directories for that constituency + extra schools Musthafa visited that are not in either directory (pre-schools, new private schools). Pending = directory schools Musthafa has not yet visited. Covered + Pending = Total. In addition, Musthafa visited 7 schools just across the border in Kozhikode district (Cheruvadi / Thottumukkam); they are listed at the end and are not counted above.

How the data was compared

• **Musthafa's log** (804 rows) was cleaned and merged into **714 unique schools**. Repeat rows for the same school (same phone number, or the October 'Second visit' rows) were merged into one school. A school is counted as covered once, on its first visit date.

• **Area** = assembly constituency as named in the Malappuram State-Syllabus School Data. Each place Musthafa wrote was mapped to its constituency, checked against the school names in that data and against his day-by-day route.

• **Areas only visited by Musthafa:** Nilambur, Wandoor, Ernad, Manjeri, Kondotty, Malappuram, Mankada, Perinthalmanna. Aslam's tour covered the southern and coastal constituencies (Tanur, Tirur, Tavanur, Tirurangadi, Vengara, Ponnani, Kottakkal). None of Musthafa's visits fall in those areas. His 'Puthanathani' rows are Puthanangadi in Angadipuram (Mankada). The 'Perinthalmanna' and 'Areacode' schools in Aslam's earlier report are really in Thennala, Randathani, Prambilpeedika and Kodakkad, which are outside these 8 constituencies.

• **Pending schools** = schools in the State-Syllabus data and the All-Kerala CBSE list (Malappuram section) for these 8 constituencies that could not be matched to any of Musthafa's visits by name, place or phone number. The State data gives no street address, so the address shown is the school's name or locality plus its constituency. CBSE schools show their full postal address.

• **Second visit / month check:** the month Musthafa wrote for a second visit was compared with the tour month mentioned in his remarks ('tour time Nov, Dec' and so on). The column *Action for Aslam* gives a visit month **before** the school's tour month and not earlier than October 2026. Schools whose second-visit month (September/October) has passed are marked **Overdue**. Schools Musthafa already revisited on 5-16 October are marked as done, with the next step.

• **Please verify before visiting:** school names in the log are often short (e.g. 'G L P School'), so a few covered/pending matches may be wrong. If a school on a Pending list was already visited under a different name, treat it as covered.

AREA: NILAMBUR

Total schools: 141 | Covered by Musthafa: **93** | Second-visit schools: **45** (done by Musthafa 24, to be covered by Aslam 21) | Pending (not yet covered): **48**
