How to read this report. "Visited" means the school appears in Biju's visit log. Booking probability is judged from the latest follow-up remark: **High** = date or visit committed; **Medium** = tour month or planning stated; **Low** = not answering / not planned yet; **Lost** = another place fixed, no trip this year or not interested; **Not followed up** = visited but no follow-up remark recorded yet. Iritty sub-district is not in the Kannur master list, so its total and not-visited list cannot be given.

Areas Biju has not covered at all: Panoor, Madayi, Thalassery North, Thalassery South, Mattannur, Chockli and Kannur South (no visits logged).

* not in the Kannur master school list (college, ITI, church/Sunday school, or not listed).

Iritty sub-district is not in the Kannur master list, so its total and not-visited schools are not available. Please share the Iritty list to complete this section.

Data verification notes

• Repeated entries merged: the 07.09.2026 group (7 schools) is entered twice in the visit log (second copy = 10/10 follow-up calls); the Irity group (10 schools) is entered on 10/10/2026 and again 12/10/2026 - counted as a second visit.

• Multiple contact rows for one school (principal and tour coordinator) were merged into one school. Krishna Menon Women's College has 4 contact rows and is counted once.

• Date typos corrected: "19.08.206", "25.09.206", "26.09.206" read as 2026; "23.9.2026" read as 23.09.2026.

• Shared phone numbers: 9497606762 is listed for St Joseph HS Pulikurumba, St Joseph UPS Pulikurumba and Little Flower English School Karuvanchal; 9947565150 for both Govt HSS and Govt HS Kaniyanchal; 8606776770 and 9656108110 appear twice because of the repeated 07.09 group.

• Invalid numbers in log: Nithyananda Bhavan English School (wrong number), Govt HS Valapattanam (not reachable), St Sebastian EMS Rayarom (wrong number), Archangels English School (number does not exist), Govt H S & U P School Payyannur (number does not exist), Krishna Menon College (1 number does not exist). St John Baptist EMHSS number 949537804 has only 9 digits.

• From 09.10.2026 onwards (Payyavoor, Irity, Peravoor, Chemperi, Edoor, Trichambaram, Kannur) student strength and follow-up remarks are mostly blank - 51 visited schools have no follow-up yet.

• Where a HS and HSS share one campus and the master list has a single entry (e.g. Sir Syed, Moothedath, Tagore, Kaniyanchal, Sreepuram, Pattuvam), both visits are matched to that one master entry.

• Kannur master list: Iritty sub-district is missing; the section headed "KANNUR SOUTH" on pages 37-39 lists Nadapuram (Kozhikode, PIN 6735xx) schools and is not used; Bhashaposhini LPS appears under both Panoor and Madayi.

• Free Pass register: no Kannur school from Biju's log found (checked by phone and name). Confirmed Booking sheet: VPM School Kakkad entered twice (17/10/26); St Joseph UPS Kunnoth has no phone or student count.
