

## Schools not yet visited by any executive (Basheer's areas)

Prepared 04 Oct 2026 from the Kozhikode area-wise school list, cross-checked against Basheer's, Arshad's and Jayarajan's visit sheets. Every school already visited by Basheer, Arshad or Jayarajan has been removed. Only the 8 areas Basheer works in are included; Vadakara and Perambra are left out.

Where a Note is shown, an executive's sheet has a general entry (e.g. 'UPS, Chelannoor') that might refer to that school. Please confirm those before planning a visit.

### Summary

| Area                | Schools in Kozhikode list | Not visited by anyone |
|---------------------|---------------------------|-----------------------|
| Balusseri           | 110                       | 74                    |
| Koduvally           | 106                       | 52                    |
| Chelannur           | 99                        | 66                    |
| Mavoor              | 82                        | 34                    |
| Kozhikode URC South | 100                       | 25                    |
| Kozhikode           | 81                        | 33                    |
| Kozhikode URC       | 100                       | 27                    |
| Kunnamangalam       | 120                       | 67                    |
| Total               | 798                       | 378                   |

## Balussery (74 schools not yet visited)

| #  | School name                    | Address                                                    | Note                                                                                                      |
