7. How this report was prepared & data checks

- **Area** = the assembly constituency of the Malappuram School Data master list (1,569 schools). Each of Aslam's schools was matched to the master list by phone number and by name + place, with acronyms normalised (for example "AMLP School, Kozhichena" = "A. M. L. P. S. Kozhichena"). All matches were then checked by hand. Schools not in the master list got their area from the place name, cross-checked against nearby master-list schools and the rest of that day's route.
- **Total schools in area** and **not yet visited** are counted from the master list only. Pre-schools, colleges and other institutions Aslam visited are shown separately as "other institutions".
- **Deepika's data**: each school was checked against Deepika's Malappuram sheet (1,579 rows) by phone or name. Where only the phone number matched, the entry is marked "[phone match]" and shows the name Deepika's sheet uses.
- **Free pass**: matched against both parts of the Free Pass Data (lead tracker and park-visit feedback), plus the free-pass remarks in Aslam's sheet.
- **Booking chance** is a rule-based estimate from the remarks. Confirmed = in the booking data. Not interested = declined or chose another destination. Unreachable = wrong/invalid number and no other contact. Otherwise points are given for free pass taken (+3), "interested" (+2), a stated tour month (+2; -2 if that month has passed), "will contact / after discussion" (+1), details shared (+1) and a recorded second-visit month (+1). Points are taken off for "not sure / not decided" (-1) and for the latest call not connecting (-1). High = 6 or more, Medium = 4-5, Low = 2-3, Very low = 1 or less. The percentages are a guide only.
- **Second visit**: as described in section 2. Months earlier than October 2026 are shown as overdue.

Data issues found while verifying

- 592 log entries were merged into 500 unique schools; 92 entries were repeat visits or duplicate rows of the same school.
- 18 schools have only a wrong, invalid or unavailable number recorded: Malabar Muslim Mission High School , Moodal; A. M. L. P. S. Kolathole; BRIGHT LINE ENGLISH MediumSCHOOL, KALADY; G. H. S. S. Maranchery; Al Huda Pre School , Tirur; Al Burooj Islamic English School , Tirur; MI ENGLISH SCHOOL , PUTHANPEDIKA; Baithul Huda English Medium School , Vailathoor; Amrita Vidyalaya , Tanur Nagar; Stellar Montessori School , Edarikkod; Samskrithi School , Panthavoor; Anganwadi , Palapettyppara; St.Thomas English Medium School Ponnani; IQRAH E.M. School Valanchery; Pebbles Play School , Pookkattiri; Al Manar H. S. S. Randathani; Nusrath Secondary School; A.L.P.S. Vattaparamba.
- The same phone number is recorded for different schools: 9847506205 (Blossom Public School , Polpakara / SKDI English Medium School , Veliyankode); 9497083529 (A. M. L. P. S. Puthanathani / G. L. P. S. Chottur / PEBBLES Play Schoool , Valanchery); 7736775222 (Hayathul Islamic Pre School , Velliyampuram / J. M. H. S. S. Parannekkad); 9747421010 (Al Manar H. S. S. Randathani / Golden Central School , Valiyaparambu); 9539071170 (G. U. P. S. Painkannur / Irshad English School , Alankode); 7736622675 (A. M. L. P. S. Kalathingalpara / Zee Que Pre School , Moonniyur); 7907602827 (A.L.P.S. Vattaparamba / Al Huda English Medium School , Vattaparamba); 9846920887 (H. A. L. P. S. Edayur / S. V. A. L. P. S. Edayur).
- Date typos in the sheet were read as 2026 dates: 10.08.206, 11.08.206, 11.09.206, 13.08.206, 14.08.206, 17.08.2028, 20.08.206, 22.072026.
- Some rows have no school name or place (e.g. a "Govt." row at Alathiyur on 10.07, which was identified as AMLPS Alathiyur from its phone number). Three "GLPS Parappanangadi" entries with different heads and numbers are kept as separate schools.
- From 17.09 onward several remark cells contain two overlapping texts in the original PDF. Both texts were recovered and kept.
