

School Outreach & Follow-up Status Report

Consolidated comparison of the CBSE, ICSE and State-Syllabus school records against Athul's field visit log

Prepared on 20 September 2026

Metric	Count
Schools already covered by Athul (visited / contacted)	384
Operating areas confirmed from visit log (Palakkad Assemblies)	8
Pending — State Syllabus schools (same operating areas, Palakkad)	560
Pending — CBSE schools (same operating areas)	24
Pending — ICSE schools (same operating areas)	0
TOTAL pending first-visit schools identified	584

Operating areas (Palakkad Assemblies) confirmed from the visit log: Alathur, Nenmara, Tarur, Malampuzha, Chittur, Palakkad, Mannarkad, Kongad. Localities visited in Thrissur district (e.g. Mannuthy, Peechi, Poochatty, Chelakkara, Ramavarmapuram belt) are reflected in the Already-Covered list and in the CBSE pending list, but are outside the scope of the Palakkad State-Syllabus master data supplied, so no State-Syllabus pending list is produced for them.

Method note: Records were matched primarily by contact phone number, and secondarily by school name and locality, across the visit log and the three reference lists (CBSE, ICSE, State-Syllabus). A school is listed as "Pending - First Visit" only if it falls inside an area Athul has already been working in, and does not appear (by phone number or by name+locality) in the visit log.

SECTION 1 · Schools Already Covered by Athul

All 384 school contacts recorded in Athul's visit log (22 Jun – 18 Sep 2026), in visit order. "2nd Visit Month" is the follow-up month verified from the log's own remarks/second-visit columns, where noted.
