Notes

- *One school Aslam visited is outside his 8 areas ("Other"), so covered + not covered = 1,026 rather than 1,025.
- Mobile numbers are 10-digit numbers starting 6-9; landlines are not counted as mobile.
- Deepika's full Malappuram list has 1,579 schools. Of the 272 Deepika entries with mobile numbers in Aslam's areas, 60 have been visited by Aslam.
- Matching was done by phone number first, then by school type and place name (allowing spelling variants).
