As of 26 Oct 2026, a planned month that has passed without a second visit is shown as **Overdue**.

Planned month	Schools planned	Second visit done	Overdue	Due this month	Upcoming	High / confirmed
September	39	13	26	0	0	11

In addition, 57 schools received a second visit without a planned month in the sheet (listed at the end of this section).

Data verification notes

- Musthafa's sheet has 808 school entries. Repeat entries for the same school (same phone number, or same name and place) were merged, giving 717 unique schools (710 in Malappuram district).
- 86 schools have a later entry in the log (second visit). 6 entries are marked "(Second visit)" but their first visit is not in the sheet.
- Date fixes: "17.08.202" read as 17 Aug 2026; the "01.08.2026" block that follows 31 Aug read as 01 Sep 2026; the merged "02.09.2026 Leave / 03.09.2026" row read as visits on 03 Sep 2026. Two schools typed in one row on 21 Aug (Mundakkulam) were split.
- Schools outside Malappuram district (Kozhikode - Cheruvadi, Thottumukkam), excluded from area totals: St.Thomas School (Thottumukkam), G.L.P.School (Thottumukkam), Santhom English Medium School (Thottumukkam), Hill Top Public School (Cheruvadi), G.H.S.L.P.School (Cheruvadi), G.H.S.U.P.School (Cheruvadi), Govt.High School (Cheruvadi).

- Free pass tracker contacts that differ from Musthafa's log but were matched by school and contact name: MCUPS Vadapuram (9497665894 vs 9497565894), GLP School Chungathara / Pookottumanna (Linda), GMUP School Oravampuram (Khalid), GUPS Pulloor, GLP School Chemrakkattur, Mampad MES, Fazfari Education Complex, H M Y H S S Manjeri, and All India Private School Association (Haritha - Aipsa Montville, Perinthalmanna).
- The PTM English Medium School, Vellila booking (contact 9487971612) was linked to "PTM HSS, Vellila" in the visit log.

- District list matching: 360 of the visited schools in these areas were found in the district list. The others are mostly private, pre-primary or special schools that the list does not include, or are spelled very differently. They are still counted as visited. Area boundaries follow the district list sections.
- Booking probability is worked out from the remarks (latest first), free-pass status and confirmed bookings. Treat it as a guide for follow-up priority, not a forecast.
