1. Area-wise coverage summary

Area (Assembly)	Schools in Malappuram data	Covered by Aslam (matched)	Not yet covered

Cross-check result: Aslam's sheet lists 492 school entries. 230 entries were verified against the Malappuram data by school name + location (189 unique schools; some schools were visited more than once). The remaining 262 entries are mostly pre-schools, CBSE/ICSE schools, colleges, Anganwadis and private institutions that are not in the Malappuram data, so they cannot be cross-checked. Areas used: the 8 assemblies where Aslam's verified visits are concentrated. Mankada and Malappuram (2 verified visits each) are not included. Entries that could not be tied to one specific school (e.g. "GLP School, Tirur" where several exist) were not counted as covered, so please check those before planning visits.
