

SCHOOL VISIT & COVERAGE REPORT

Executive Tour: Aslam | Malappuram District, Kerala

Tour period covered: 22 June 2026 – 16 September 2026

Report generated: 20 September 2026

This report consolidates every school Aslam visited during the tour, cross-verified against the CBSE Kerala school directory, the Kerala State-Syllabus (Government/Aided) school census, and the ICSE Kerala school directory. Schools are grouped by the area (revenue block) actually covered on tour. For each area the report shows schools already covered, schools scheduled for a second visit (with the month indicated by the school), and schools identified in the official CBSE directory for that area that are not yet on Aslam's visit log.

METHODOLOGY & DATA SOURCES

1. Visited-schools log – Aslam's own day-by-day tour sheet (22 Jun–16 Sep 2026), listing school type, name, place, tour coordinator/principal, contact number, student strength, call outcome and (where noted) the month proposed for a second visit.

2. Area grouping – Every visited school was matched to its official revenue block (Tanur, Tirur, Tavanur, Tirurangadi, Vengara, Ponnani, Kottakkal, Areacode, Perinthalmanna) using the block/assembly names recorded in the Kerala State-Syllabus School Data directory, so that 'area' in this report reflects the same administrative blocks the government dataset uses – not just the free-text place name written on the tour sheet.

3. Pending (not-yet-visited) schools – cross-checked against the official CBSE Schools – Malappuram District directory. Only the blocks Aslam has actually covered are shown; CBSE schools in blocks he has not toured (Manjeri, Nilambur, Wandoor, Kondotty town, Malappuram town, etc.) are outside the scope of this report. Government/Aided (State-Syllabus) schools he has not yet visited are not separately enumerated here – that census runs to 1,500+ entries district-wide and was outside the reliable-matching scope of this pass; his own visit log already shows which State-Syllabus schools were covered.

4. ICSE directory – Malappuram has only 3 ICSE-affiliated co-ed day schools on record (Nilambur, Kodur, Pookkottumpadam) – none fall inside Aslam's covered blocks, so none appear as pending.

5. Duplicate visits – where the same school was called more than once, it is counted once as 'Covered', dated to its first visit; if any attempt carries a second-visit month, that month is shown.
