Musthafa - Malappuram School Visit Cross-Verification Report

Prepared 25 October 2026. Sources compared: MUSTHAFA_VISITED_SCHOOL_DATA.pdf (921 rows), Deepika's Malappuram data (1,579 schools), Free Pass Data (104-lead tracker + 83 park-visit log rows), CONFIRMED_BOOKING_DATA.pdf (92 rows) and malappauram_complete_school_data.xlsx (CBSE/ICSE/sub-district lists).

• **How each school was verified:** each of Musthafa's rows was checked against the other files using (1) the contact phone number, (2) school type code (GLPS, GMLPS, AMLPS, AUPS, GHSS, etc.) plus locality, (3) distinctive name words plus locality, and (4) the Google Plus Code in the address, decoded to a map position. This placed every visit in its Block/Municipality area, the same areas Deepika's data uses.
• **Source limitation:** Musthafa's PDF was printed from a spreadsheet with narrow columns. School names are cut to about 10 characters (e.g. 'GLP School K') and phone numbers to 8 digits. Matches were made on what is visible, and uncertain ones are marked 'Not certain' or 'Yes (one of)' instead of being guessed.
• **Second visit / month:** Musthafa's sheet has no visit dates. A 'second visit' is shown when the same school appears again in his sheet (repeat entry), when the school later came to the park on a free pass (month of park visit), or when it booked a tour (month of tour).
• **Telecalling feedback** comes from the Free Pass lead tracker (status + follow-up remarks) and the park-visit log. Schools with no record there show 'No telecalling record'.
• **Scope:** only areas Musthafa visited inside Malappuram district. His visits in Kozhikode district (Cheruvadi, Thottumukkam, Mukkam, etc.) are listed separately in Section 6 and are not counted.
