* Total schools = schools listed in the Malappuram school directory for that sub-district + schools Aslam visited that are not in the directory (pre-schools, CBSE/private schools, colleges, anganwadis). Vengara and "Other" have no directory list, so their total is the visited count only.

How to read this report

Booking probability (worked out from every remark in the visit sheet, the follow-up call results, free-pass and booking data): **BOOKED** = in Confirmed Booking data or marked "School Booked"; **HIGH** = free pass booked/visited or planned, or interested with a tour month; **MEDIUM** = tour month given or "will contact after discussion"; **LOW** = only details shared / call not connected / no response yet; **NOT INT.** = declined, chose another destination, not planning a trip, or unhappy after the free visit.

Second visit month = the month in Aslam's "Second Visit" column. Where no month is written but the school gave a tour month, the second visit is set to the month before the tour (marked *Suggested*). Each month is checked against the tour month: *OK* = before the tour, *Mismatch* = after the tour, *OVERDUE* = September visits still open, *DUE THIS MONTH* = October.

Second visit plan - month-wise (all areas)

Schools still open (not booked, not "not interested") that have a second-visit month from the sheet or a suggested month from their tour time. September items are overdue and are listed under October so they are not missed.

OCTOBER 2026 - due now (includes overdue September) - 57 schools

Data verification notes

• Aslam's sheet has 592 school entries; repeat visits and repeat entries of the same school were merged (matched on phone number, school name and directory record), giving 526 unique schools. 58 schools were visited or logged more than once.

• Areas follow the sub-district (AEO) groups in the Malappuram school directory. Each visited school was matched to the directory by name and place; 236 schools matched. The rest are mostly pre-schools, CBSE/private schools, colleges and anganwadis that are not in the directory.

• The directory's "Kuttipuram" list repeats the "Malappuram" (Kottakkal) list (118 of 121 names are the same), so the two lists were combined and counted once under Kottakkal.

• Tirurangadi, Chemmad, Moonniyur, Chelari and Vallikkunnu schools are in the directory's Parappanangadi list, so they are reported under Parappanangadi / Tirurangadi.

• Second visits: 5 schools had a September second visit that is still open (OVERDUE); every second-visit month written in the sheet is before or in the tour month; 79 schools gave a tour month but had no second-visit month in the sheet, so one was suggested (marked *).

• 23 schools have a wrong, invalid or unreachable phone number in the latest call. Collect the correct number on the next visit.

• 70 schools (mostly visited 6-16 Oct 2026) have no call outcome recorded yet. They are rated LOW until the first follow-up call is done.

• Some follow-up call dates in the sheet are later than today's date (e.g. "30.10.2026", "23-10-2026" next to September visits). They are shown as written, but please check them.

• Free Pass feedback sheet entries for Aslam: Little Schola Integrated (Venniyoor) - satisfied, interested; AMLPS Chilavil West - not satisfied, not interested; GLP School Nannambra (Mariyam, 8 pax) - neutral. Garden Valley (Kuttippala) booked a free pass for 20 Oct and then confirmed a trip for 23 Oct 2026 (115 students).

• BEMLP School Puthanpeedika (Parappanangadi) is marked "School Booked" in Aslam's sheet, and the Confirmed Booking data shows it for 30 Oct 2026 (38 LP students, booked via Basheer).
