Musthafa – Malappuram Area-wise School Visit Report

Prepared 25 Oct 2026. Sources: MUSTHAFA VISITED SCHOOL DATA (922 rows), Deepika's Malappuram data (1,579 schools), Free Pass data (104-lead tracker and 84 park-visit log entries), CONFIRMED BOOKING DATA (92 rows).

Headline numbers

• Musthafa's sheet holds **921** entries (922 rows; one phone-only continuation row merged into the row above). **904** are in Malappuram district, in **11** areas. The other **17** are in Kozhikode district (Cheruvadi, Mukkam, Thottumukkam and nearby) and are not covered by this report.
• Of the Malappuram entries, **685** are schools and **219** are coaching centres, academies or other institutes. Deepika's list contains only schools, so those institutes can never match it.
• Deepika's list has **1007** schools in these 11 areas. Musthafa has covered **370** of them (confirmed match). Another **92** are possible matches, and **637** have no confirmed visit yet.
• Free pass used (park visit logged): **19** of Musthafa's entries. Confirmed bookings linked to his entries: **6**. Of these, 4 are credited to Musthafa (Peevees Nilambur, PTM Vellila, AMLPS Thirurkad, BUM Nursery Pookkottur) and 2 were booked by other staff (AMLPS Kuttasseri, GHS Vettilappara). Entries with a telecalling record: **24**.

How the cross-check was done (and its limits)

• **Musthafa's PDF cuts off text.** School names are clipped at about 10 characters (for example "GLP Schoo…"), and phone numbers show only the first 8 digits. Each entry was therefore checked on four things together: the visible name, the next clipped letter (recovered from the PDF), the locality, and the Google Plus Code in the address, which was decoded to map coordinates. Phone numbers were compared on their first 8 digits.
• **Area** means the block or municipality used in Deepika's list. Musthafa's ~300 locality names were mapped to those areas. Deepika gives no block for 266 urban schools, so they were assigned to their municipality and grouped with the matching block.
• **YES** means the name, type and location agree, or the phone matches. **POSSIBLE** means the clipped name fits more than one school, or the school type differs slightly. **NO** means Deepika's list has no such school.
• **Second visit:** Musthafa's sheet has no visit dates. A repeat is therefore reported when the same school appears more than once (different contact or row). The month is shown only where another sheet gives a date: the free-pass park visit, the booking date, or the planned tour period from the telecalling tracker.

• **Free pass and telecalling** come from the Free Pass PDF (park-visit log and lead tracker). They were linked by phone number, and by name, contact person and location where the phone did not match.

Cross-check findings: same school under a different name, place or number

Phone matches a different school name

Musthafa entry	Finding
#58 AMLP School, Elamaram (Asees)	Phone matches A.M.L.P.S. Palakkuzhi (Kondotty Block). Musthafa recorded the location as Elamaram.
#59 GMLP School, Mapram (Bhaskaran)	The name and place match G.M.L.P.S. Mapprom, but the phone matches PMSALPS Muthuparamba. Check which school this contact belongs to.
#162 GMLP School, Pathappiriyam (Jaseena)	The name and place match G.M.L.P.S. Pathappiriyam, but the phone matches GLPS Anakkottupuram (Wandoor Block).
#168 GMLP School, Karakunnu (Muhammed, +91 9645150786)	The full phone number is the number Deepika lists for Al Falah Public English School, Karakunnu.
#170 AMLP School, Karakunnu (Sajukumar)	Phone matches A.L.P.S. Cherupallikkal (Wandoor Block).
#177 ALP School M…, Muthiri (Anju)	Phone matches Chathankottupuram UMALPS (Wandoor Block).
#285 Kids Land English School, Mongam (Rafeeq)	The same phone is in the free-pass log as "UPST A M U P School Mongam, Kondotty". Musthafa also lists AMUPS Mongam separately (#286).
#592 St. Joseph LP, Malaparambu (Libi)	Phone matches St. Joseph A.L.P.S. Pandallur (Malappuram Block), not St. Joseph LPS Malaparamba.
#647 NCT English School, Mankada (Shamsudheen)	The free pass lists this phone as "Shamsudheen K (Direct Visitor), school affiliation to confirm". It belongs to NCT English Medium School.
#262 GLP School M…, Malappuram and #423 Karunya Bhavan, Vazhakkad	Both entries have the same first 8 digits (94467685…), which also match G.M.L.P.S. Ponmala. This is probably a coincidence of number series, but should be checked.
#117 Carmel Giri English School, Chungathara	The first 8 digits match A.M.L.P.S. Cheriyaparapur (Tirur). This is most likely a coincidence, since the schools are in different areas.
