

Kasaragod District - Final School Coverage Report

Executives: Emmanuel & Shibili · Visits 13 Jul – 21 Aug 2026 · Visit log compared with the Sametham school register (KITE, updated 27 Jun 2026)

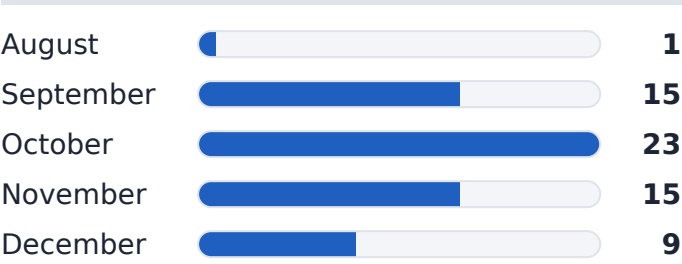

Summary

56 Areas visited by Emmanuel & Shibili	124 Total schools in executive areas covered + not yet covered	63 Schools covered first visit done	61 Schools not yet covered 22 found only through Sametham
63 Second visits due Emmanuel 56 · Shibili 7	97 Schools with mobile number 78% of all schools	27 Schools without mobile number landline only or no number	— Free passes issued not recorded in either file

What the comparison found

- **Sametham register:** 204 schools. **54** of them are in the 56 executive areas (17 already visited, 37 not yet). The other 150 are in areas the team has not visited, so they are left out.
- **Visited schools:** 19 of the 63 visited entries match 17 Sametham schools (the High School and Higher Secondary sections of Kumbala and Neerchal are logged separately). The other 44 are not in this Sametham extract: mostly Hosdurg/Kanhangad-side schools, private schools and LP/UP schools it does not cover.
- **New pending schools:** comparing both files found **22** schools in the executive areas that the earlier visit-log report did not list as pending (marked **new**).
- **Corrections:** 4 schools the visit-log report listed as pending were actually visited already: A. S. B. S. Ichlampady (same phone as visited Ichlampady Senior Basic School); A. J. B. S. Puthige (same as visited Junior Basic School, Puthige); G. H. S. S. Paivalike Nagar (same as visited GHSS School, Paivalike); M P International School (same as visited MP International School, Shiribagilu). The report also listed 5 schools twice under different areas; each is counted once here.
- **Free passes:** neither file has any free-pass figure, so this count cannot be given. Share the free-pass log and it can be added.
- **Mobile numbers:** a number counts as mobile when it is 10 digits starting with 6–9. Most Sametham numbers are school landlines (04994 / 04998).

Second visits by month

Where two months were given, the first is used.
